1. Identify your category, e.g. Discs, Rotors & Hardware:

either by selecting from a suggested category:

The screenshot shows the eBay 'Tell us what you're selling' page. At the top, the eBay logo is followed by a progress bar with three steps: '1. TELL US WHAT YOU'RE SELLING', '2. CREATE YOUR LISTING', and '3. REVIEW YOUR LISTING'. The main heading is 'Tell us what you're selling'. Below this is a section titled 'Find a matching category'. It includes a text input field with the placeholder 'Give us a title for your listing or enter a UPC, ISBN, VIN or Part Number.' and a 'Search' button. Below the input field, there is an example: 'For example: levis 501 women's jeans, 1966 ford mustang'. There are three buttons: 'Search categories', 'Browse categories', and 'Recently used categories'. Below this, a message states 'Buyers will see your listing in the category that you select.' Under the heading 'eBay Motors', there are three radio button options for category selection:

- Parts & Accessories > Car & Truck Parts > Brakes > Discs, Rotors & Hardware
- Parts & Accessories > Car & Truck Parts > Brakes > Caliper Parts
- Parts & Accessories > Performance & Racing Parts > Auto Performance Parts > Driveline & Transmission > Transmission

or by browsing through all available categories:

The screenshot shows the eBay 'Tell us what you're selling' page with the 'Browse categories' option selected. The 'Find a matching category' section is visible at the top. Below it, a grid of category lists is shown. The 'Discs, Rotors & Hardware' category is highlighted in blue. To the right of the category lists, a green checkmark icon is displayed with the text 'You've selected a category. Click Continue.' At the bottom left, under 'Categories you've selected', the path 'eBay Motors > Parts & Accessories > Car & Truck Parts > Brakes > Discs, Rotors & Hardware' is listed. At the bottom right, the 'Category number' is shown as '33564'.
