Important Notice:

- When payment is received, it will be verified and secured into a non-interest bearing trust account. Payment verification process usually takes less than 24-48 hours. After payment is secured, the Seller is authorized to ship the item. Your funds will not be released to the Seller until you have received and approved the merchandise you are purchasing.
- We will keep the payment until you send us your confirmation that you are satisfied with the product you received. As soon as we receive your confirmation we will make the payment to the seller. Until then the seller won't be able to access the money you sent and in any case you decide not to continue with the deal you will receive a full refund.
- The Buyer receives the item and has 5 business days to inspect it. If it is complete and as described, the Buyer should accept the item. If he refuses the item, the Buyer must ship the item back to the Seller within 3-5 business days since the item was inspected.
- After the inspection period is over, the Buyer must contact eBay Purchase Program Team with the result of the inspection. If the Buyer refuses the items, the refund will be sent to the Buyer after the tracking number for the returned shipment is verified. If the items are accepted, eBay Financial Department submits the payment directly to the Seller within 3 business days.
- eBay is fully responsible for the money once they will be transferred and take the responsibility to refund the full amount if there will be any problems during the deal.
