

THE NEW MICRO-MULTINATIONAL

Technology has levelled the playing field in retail, allowing businesses of any size to reach markets across the globe with little more than access to the Internet.

This means small and medium-sized businesses (SMBs) have more opportunity than ever to reach consumers anywhere and everywhere...and they are doing it!

E-commerce has enabled the rise of the new micro-multinational – technology-enabled SMBs who are exporting globally.

Here's a snapshot of what the new micro-multinational looks like in Canada, based on eBay sellers.
