# Sell your vehicle checklist

Gather the information you need and print it out *

## 1 Gather your paperwork

We recommend finding your vehicle registration insurance card on your title/pink slip, since they contain important information (example: make, model, year, VIN) that you will need to complete your eBay vehicle listing.

## 2 Vehicle information

3 Fill out the “Describe your vehicle” Section:

Additional equipment and accessories
Are there any additional accessories or equipment on your vehicle that you want to share? Have you done any upgrades to the vehicle that might interest a buyer?

Example: Anti-theft system, heated seats, towing package, satellite radio, built-in navigation/GPS system, iPod/MP3 jack, upgraded wheels/rims, rear seat entertainment center

Maintenance History
By offering buyers maintenance records on your vehicle, it increases the confidence to bid or purchase your vehicle. It is also a good idea to let potential buyers know about recent maintenance or repairs performed, such as new tires or a new timing belt.

Example: Completed 60k tune-up 6 months ago, new tires, all maintenance records available

Warranty Details
If the vehicle is still covered by factory or extended warranty, share what type of coverage it is and if it is transferrable.

Condition of the vehicle (including notable damage, wear or problems)
Are there obvious issues with the vehicle that cannot be shown in the photos?

Example: Small scratches on bumper, tear in left passenger seat, 90k mile tune up due, cigarette burn on driver's seat
4 Know what price you want for your vehicle

- We recommend researching the value of your vehicle.
- Search eBay Motors for similar vehicles and review their sales history.
